

CAPABILITY STATEMENT

Core Competencies

Warrigal blinds is a manufacturer of premium quality blinds, curtains & security doors, screens & fire attenuation screens. We supply leading brands including Hunter Douglas - Turnils, Shaw & ClearShield.

We are a manufacture & supply direct to Builders, Architects & Specifiers in the greater Illawarra region, extending south to the Shoalhaven and north to Sydney.

We offer a personal approach to project management, with fully trained staff dedicated to all aspects of each fit-out. The person responsible for the project is an employee of Warrigal Blinds. This person will look after everything from measuring though to installation and handover.

Our installation & service technicians are based at our manufacturing facility at Lake Illawarra.

Company Information

Established in 1986, Warrigal Blinds - ClearShield NSW, is the largest blind & security door / screen manufacturer in the Illawarra region. We have a local showroom with all our products on display. As part of our Quality Assurance, all staff receive ongoing training with specific team members dedicated to specific products.
